

To apply for the IB (International Baccalaureate) programme, you will need to follow a specific registration process. Here's a guide on how to complete the application.

Step 1: Submit Grade 5 Report Card Begin your application by submitting your Grade 5 report card as proof of your academic history. This document will help the admissions committee assess your academic readiness for the IB programme. Submit this to Devon Potter (DPotter-Gillert@rsb.qc.ca)

Step 2: Choose One of the Following Options:

Option A) Submit an Artifact about Service as Action (Community Service): If you choose this option, gather an artifact that represents a community service project you've been involved in over the last couple of years. This could be a photo, video, presentation, or any tangible item that showcases your commitment to service as action. In your one-page response, explain the significance of the artifact, your role in the project, and how it reflects your dedication to community service. Please send the PDF, video or PowerPoint to Devon Potter (DPotter-Gillert@rsb.qc.ca)

Option B) Submit a Recommendation Letter: If you opt for a recommendation letter, ask a teacher, coach, or someone who knows you well to write a letter on your behalf. The letter should highlight your qualities, strengths, and suitability for the IB programme. In your one-page response, briefly introduce the person who wrote the letter and explain why you selected them. Discuss any specific qualities or experiences they highlighted in the letter that make you a strong candidate for the IB programme. Please send the PDF of your recommendation letter and your explanation to Devon Potter (DPotter-Gillert@rsb.qc.ca)

Option C) Explain Your "Why" for Entering the IB Programme: In this option, you should articulate your motivations for wanting to join the IB programme. Your one-page response should discuss how the IB programme is a good fit for you.

Option D) Choose a Learner Profile Trait: Select one of the Learner Profile traits (Reflective, Principled, Inquirers, or Open-minded) and explain how you either possess this trait already or aspire to improve it. Use specific examples from your past experiences to demonstrate your connection to the chosen trait. Discuss how developing or strengthening this trait will contribute to your success in the IB programme and beyond.

REFLECTIVE: We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development

PRINCIPLED: We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

INQUIRERS: We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

OPEN-MINDED: We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

Remember to keep your one-page response concise and well-organized. Highlight your strengths, experiences, and passion for the IB programme, regardless of the option you choose. Good luck with your application!
